

[HF325M]
POLISHED BRASS CHECK SNOOT (CLAPPER STYLE)
3" MNPT X 2-1/2" HOSE SWIVEL

INFORMATION:

3" (76mm) Male NPT x 2.5" (64mm) Female swivel hose thread, polished brass Check Snoot. The HF325M is used on multiple inlet fire department connections, enabling the connection of several fire department supply lines at one time. The HF325M is equipped with a brass clapper preventing the backflow of water through unused connections. A breakable cap or plug should be installed to protect the swivels and reduce the risk of foreign debris from entering the connection.

UL/ULC and FM approved; rated for 300 psi (2070 kPa).

FINISH: Polished Brass

OPTIONAL FINISH: Chrome Plated

Hose Threads Available: NST

Other Hose Threads: Please Contact
