

[IE39-A]
4-Way Square Siamese Connection - 6" NPT x (4)3" NPT

DESCRIPTION:

A cast-brass building connection rated for operating pressures up to 175 psi (1206 kPa). Each 3" connection has a rated flow of 250 gpm, allowing the connection to supply a minimum capacity of 1000 G.P.M.

This item features four (4) 3" NPT connections with 7" centers, and one (1) 6" NPT connection in an angle body configuration.

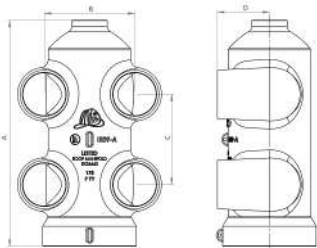

FINISH:

Cast Brass

LISTED:

Dimensions:

A:	17-1/2"	(445 mm)
B:	7"	(178 mm)
C:	7"	(178 mm)
D:	4"	(102 mm)
